About Shirin

Intuitive healer and teacher, Shirin, brings over 20 years of experience to her expansive and powerful work. Drawing on global experience and a diverse background, Shirin's work incorporates the quantum healing techniques of ThetaHealing™, Native American systems of Spirituality, and Hawaiian Mysticism.

Because of the broad scope of her training and abilities, Shirin offers a unique combination of healing approaches specifically tailored to each individual. Knowing that all true healing comes from the Creator and is expressed through love, her approach is infused with love and a connection to the Divine. Aware of the relationship between individual and community, thought and expression, emotion and health, her work weaves together the many layers of our human journey.

“ Shirin's Theta Classes have given me the tools I need to help me in all aspects of life. From illness, anxiety, pregnancy, as well as day to day challenges. Her compassion and heart-felt teaching makes her classes one of a kind.
